

The Sarasota County Sheriff's Office has a new process for registering vendors and volunteers who work in the Sarasota County Jail. All current vendors and volunteers (ie: any civilian working in the jail) will need to register on the official Sheriff's Office website before May 1, 2017. If you are not registered by that date, you will not be allowed to enter the jail.

Follow these simple instructions to get registered:

1. Go to the Sarasota County Sheriff's Office website (www.sarasotasheriff.org)
2. Click on Animal Services. It's about halfway down the page.
3. Under the paragraph titled "Volunteer with Animal Services" you will see the words FOLLOW THIS LINK TO REGISTER AS A VOLUNTEER in bold letters. Click that link. (Note: although the link is listed under Animal Services, you will have a choice in the application process as to where you wish to volunteer.)
4. You will register as a new member under the side that says "I am new to MyVolunteerPage.com"
5. Your user name should be your email address. Then you will type your email address two more times.

Now you are in! You will need to create your own password but otherwise it's just answering the questions and filling in the blanks. If the box has a flag next to it, it is mandatory. Some of the questions may not apply to you so leave them blank.

On Page 2, please leave the Availability portion blank. We already know when you come in as we have a set schedule already established.

VERY IMPORTANT: on page 2, you must click on **Corrections Volunteer** or **Corrections Vendor**

Once you have answered the questions on Page 2 and agreed with the acknowledgements, please click Submit and you are finished!

Thank you for your cooperation during this transition period. If you have any questions, feel free to call the Programs Department at 941-861-4134. We will be happy to assist you in any way
